RESOLUTION NO. 4/45-MM
ON
THE SITUATION OF THE MUSLIM COMMUNITY IN MYANMAR

The Forty-Fifth Session of the Council of Foreign Ministers (Session of Islamic Values for Sustainable Peace, Solidarity and Development), held in Dhaka, People's Republic of Bangladesh, from 20-21 Sha'ban 1439 H (5-6 May 2018),

Guided by the principles and objectives of the Charter of the Organization of Islamic Cooperation (OIC), and pursuant to relevant resolutions on Muslim communities and minorities calling for assistance to Muslim communities and minorities in non-OIC Member States to preserve their dignity and cultural and religious identity,

Recalling Resolution No. 3/4-EX (IS) adopted by the 4th Extraordinary Islamic Summit Conference held in Makkah Al-Mukarramah in 2012 on the Rohingya Muslim Community in Myanmar and subsequent ministerial resolutions in this regard, particularly Resolution No. OIC/ EX-CFM/2017/FINAL RES adopted by the Extraordinary Session of the Council of Foreign Ministers in Kuala Lumpur on 19 January 2017; and Commending the Government of Malaysia for hosting the Extraordinary Session of the OIC Council of Foreign Ministers, on the Situation of the Rohingya Muslim Minority in Myanmar in Kuala Lumpur on 19 January 2017, and reaffirming and recalling the Final Communique of the Extraordinary Session,

Recalling also the Declaration of the special session of the OIC Contact Group on the Rohingya which took place at Heads of State level in New York on the sidelines of the Annual Coordination Meeting on 19 September 2017, to address the situation of the Rohingya Muslim Minority in Myanmar and the Astana Declaration on the Rohingya Muslim Community in Myanmar by the Meeting of Heads of State and Government, on the sidelines of the First Islamic Summit on Science and Technology on 10 September 2017,

Recalling OIC initiatives at the United Nations on the situation of the Rohingya Muslim Minority, including the UN General Assembly Resolution A/RES/72/248 of 31 October 2017 on the situation of Human Rights in Myanmar, and the UN Human Rights Council Resolution A/HRC/RES/29/21 of 22 July 2015 on the Situation of Human Rights of Rohingya Muslims and other Minorities in Myanmar;

Noting the meetings of the OIC Groups which took place in New York, Brussels and Geneva in December 2016, to discuss the situation of the Rohingya Muslim Minority in Myanmar,

Noting UN Security Council Presidential Statement S/PRST/2017/22 of 6 November 2017 and the report of the UN Special Rapporteur (UNSR) Yanghee Lee on the situation of human rights in Myanmar, (A/HRC/34/67), 1 March 2017; and UN Human Rights Council Resolutions (A/HRC/34-L.8/Rev.1), 22 March 2017 and (A/HRC/RES/S-27/1) 5 December 2017 and UN General Assembly Resolution A/RES/70/233 23 December 2015,

Alarmed that the flash report of the OHCHR on 3 February 2017 that found attacks against the Rohingya Muslims to have been widespread as well as systematic, vindicating the very likely commission of crimes against humanity, and welcoming the decision of the human Rights council to constitute a Fact-Finding Mission pursuant to its Resolution 34/22 of 24 March 2017; *concerned* at persistent denial of human rights violation by the Government of Myanmar,

Underscoring the need to establish the facts of the situation on the ground in Rakhine State through an independent investigation body, and in this regard, noting with concern that the Government of Myanmar has ceased cooperation with UN mechanisms the UN Special Rapporteur (SR) on the Human Rights Situation in Myanmar and the Independent International Fact-Finding Mission on Myanmar established under the UN Human Rights Council.

Condemning the attacks of the Arakan Salvation Army against police and military posts on 25 August 2017,

Deeply distressed by the reports of Rohingya civilians in Rakhine State being subjected to unlawful use of force by extremist elements; the excessive use of force by the military and security forces; extrajudicial, arbitrary or summary killings, rape and other forms of sexual violence; and arbitrary detention, and the enforced disappearance of Rohingya civilians in Rakhine State, including reports of large-scale destruction of homes and systematic evictions of Rohingya Muslim minority from northern Rakhine State, through the use of arson, violence, confiscation of private property, and artificial ethno-demographic reconstruction.

Express serious concern that, according to the United Nations Children's Fund, nearly 60 per cent of Rohingya Muslims who have been forced to flee to Bangladesh are children (Source: PP12 of GA Res 72/248). Noting further that these children, especially unaccompanied children, face increased vulnerability and are more susceptible to becoming victims of killings, sexual violence and trafficking-in-persons.

Noting with deep concern also the deteriorating security, human rights and humanitarian situation in Rakhine State, and the continued serious violations and abuses of human rights of Rohingya Muslims in Rakhine State, as well as statelessness, disenfranchisement, economic dispossession, marginalization and deprivation of livelihoods, as well as restrictions on freedom of movement for persons belonging to the Rohingya community, including the confinement of approximately 120,000 people in camps for internally displaced persons, the majority of whom rely entirely on foreign aid,

Concerned that, despite the fact that the Rohingya population, especially Muslims, had been living in Myanmar for generations prior to its independence and have no ties to anywhere but Myanmar, they have been made stateless since the enactment of the 1982 Citizenship Law and since then have been subjected to restrictions on access to education, health services and livelihoods, underscoring that the lack of citizenship status and related civil and political rights of Rohingya Muslims and others, including voting rights, is a serious human rights violation,

Taking into consideration that the plight of the Rohingya Muslims in Myanmar cannot be tackled from a purely humanitarian perspective, and should be dealt with within the framework of their inalienable rights as citizens,

Welcoming the September 2017 letter addressed by President Haydar Abbadi of Iraq to the heads of Muslim countries and the OIC Secretary General, regarding the Rohingya crisis, along with the violations of human rights and genocide against the Rohingyas, which letter calls for holding an urgent meeting of the Council of the OIC Foreign Ministers to form an international alliance to counter and stop these violations;

Having considered the Report of the Secretary General on the Muslim Community in Myanmar (Document No. OIC/CFM-45/2018/MM/SG.REP);

1. **Condemns** the systematic brutal acts and horrendous atrocities perpetrated against the Rohingya Muslim Community in Myanmar, especially post 25 August 2017, which constitute a serious and blatant violation of international law, international human rights conventions as well as violations of international humanitarian law and in total disregard of Myanmar's state responsibility to protect its unarmed civilian Muslim minority; Particularly denounce the involvement of security forces and militias in continued acts of violence towards Rohingya Muslims including mass gang-rape, killings in thousands including of babies and children, burning people alive, brutal beatings, disappearances, eviction and forced expulsion of inhabitants, arbitrary arrests, detentions, torture,

in addition to burning of Rohingya homes, places of worship, villages and fields of standing crops;

2. **Expresses** serious concern over the fact that the Rohingya community continues to face systematic discrimination in Rakhine state, including killing, rape, eviction and forced expulsion of inhabitants, which derives from their lack of legal status resulting in restrictions on their freedom of movement, access to land, food, water, education, health care as well as restrictions to marriage and birth certificates;
3. **Expresses** concern over the fact that any radicalization or infiltration of radical elements into the Rohingya minority community may further complicate the solution of the problem and have implications on regional security;
4. **Expresses** deep indignation at credible reports, assessments and conclusions of various international and human rights organizations that recent atrocities are part of a systematic strategy and plan of ethnic cleansing of Rohingya Muslims of Rakhine State which have since August 2017, affected over 655,000 Muslims who have been forcibly displaced to Bangladesh, in addition to the 87,000 Rohingya that have been displaced since violent incidents of October 2016 and more than 300,000 who have fled previous episodes of violence since 1990;
5. **Expresses** full solidarity with the Government and people of Bangladesh, unfairly affected with the influx of a million plus Rohingya and appreciate them for opening their hearts and borders for the distressed community now facing an existential threat at the deviant policies and brutal practices of “ethnic cleansing” pursued systematically, at genocidal scale, in Myanmar in violation of human rights and total disregard of all international and civilized norms and laws;
6. **Expresses** serious disappointment and dismay at the Myanmar authorities denial of evidences and findings or reports such as the UN Flash report of 3 February 2017 and 13-24 September 2017 and the report of the UN Special Rapporteur on the situation of human rights in Myanmar, of 8 September 2017 which clearly identify confirmed that the Myanmar security forces “deliberately set fire to houses with families inside, and in other cases pushed Rohingyas into already burning houses”;
7. **Expresses** once again, its deep concern over the humanitarian and human rights situation in Rakhine State of Myanmar ;(proposed by Turkey)
8. Underlines the fact that the continuation of the current situation can engender serious adverse repercussions in the region and beyond;

To allow Muslims meaningful and unhindered freedom of movement within Rakhine State to pursue livelihood options and to access healthcare and education without any hindrance and allow free and unhindered access of local and international staff of humanitarian agencies to afford affected Muslims and vulnerable population humanitarian assistance based on their needs;
- g. To reverse and abandon policies, directives and practices that marginalize the Rohingya community economically, such as demolition of houses in the pretext of them being unauthorized, confiscation of lands in the name of

- l. To restore the citizenship of the Rohingya Muslim community with all associated rights, which was revoked in the Citizenship Act of 1982;
- m. To immediately start registering children at birth and children who have been so far left out of such registration processes; reiterates the call upon the Myanmar Government to make any verification process impartial, transparent and voluntary and ultimately linked to citizenship free from threat of marginalization, racial bias, discriminatory entries (such as race, religion and language) and other kinds of arbitrariness.
- n. To facilitate, for the sake of transparency and accountability, international, independent and impartial investigations into allegations of human rights abuses, atrocities and violations, including sexual violence, rape, and abuse and violence against children, including violations and abuses carried out by members of the military, other Government agents and members of vigilante groups, including those motivated by extreme views against Rohingya
