RES. 1/37-PAL

1. **Reaffirms** the centrality of the cause of Al-Quds Al-Sharif for the whole Muslim Ummah, and **emphasizes** the Arab and Islamic character of Occupied East Jerusalem and the need to defend the sanctity of Islamic and Christian holy places. **Reiterates** its strong condemnation of Israel, the occupying power, for its continued aggression against Islamic and Christian holy places in and around Al-Quds Al-Sharif, for its destruction and occupation of Palestinian homes in the City of Al Quds, particularly in the Salwan and Sheikh Jarrah districts, and for all its colonial practices, settlement activities, and provocative illegal measures aimed at changing the legal status of the City of Al Quds, its demographic structure as well as its Arab and Islamic character; **also condemns** Israel for carrying out illegal excavations underneath the Al Haram Al Shareef and the Al Aqsa Mosque, and building the apartheid wall in and around the City in the Occupied Palestinian Territory.
2. **Condemns** the Israeli aggression on the Gaza Strip and its attendant war crimes, massive violations of human rights and international law, and places on Israel the legal, moral and political responsibilities for the crimes committed during its aggression of the Gaza Strip; and **requests** the United Nations and its institutions concerned to implement Goldstone Report and to prosecute Israeli war criminals.
3. **Expresses** grave concern over the deteriorating social and economic conditions and the worsening humanitarian crisis in the Gaza Strip, caused by the Israeli aggression, continued blockade and other illegal measures against the Palestinian people in the Strip, and **calls** on the international community to pressure Israel, the occupying power, to open its entire borders and immediately end its blockade and collective punishment of the Palestinian people in Gaza.
4. **Requests** the international institutions to abide by the agreements of Sharm El Sheikh Conference on the reconstruction of Gaza and to expeditiously redeem their commitments and pledges for the reconstruction to commence, and renews its call to Member States, the Islamic Development Bank and private financial institutions to provide urgent humanitarian assistance to the Palestinian people in order to alleviate their suffering.
5. **Denounces** Israel's endeavors to take hold of the Palestinian heritage and its attempts to judaize Palestine's mosques and disfigure its history; **strongly condemns** Israel's decision to include the Ibrahimi Mosque in Hebron and Bilal bin Rabah Mosque in Bethlehem in the list of its heritage; and **calls** in this context on the UNESCO to assume its responsibilities and prevent Israel from stealing the Palestinian heritage.

RES. 1/37-PAL

6. **Reiterates** its strong condemnation of Israel's continued, illegal, intensified settler colonialism campaign, including confiscation of Palestinian land as well as building and expansion of settlements. The Conference also **reiterates** its condemnation of Israel's continuing construction of the Apartheid Wall throughout the Occupied Palestinian Territory, including in and around East Jerusalem, in flagrant breach of international law, including the Fourth Geneva Convention, and in total disrespect of the Advisory Opinion of the International Court of Justice (ICJ) of 9 July 2004 and UN General Assembly Resolution No. ES-10/15 of 20 July 2004. In this connection, the Conference **expresses concern** over the vastly detrimental impact of such unlawful actions on the Holy City of Al-Quds Al-Sharif, which is being isolated from the rest of the Palestinian Territory through the settlements and the Apartheid Wall built in and around the city and through the severe restrictions obstructing the movement and access of Palestinians to the city, including for worship at holy sites, and whose Palestinian residents continue to suffer from home demolitions, revocation of residency rights, and deteriorating socio-economic conditions.
7. **Stresses** that Israel's illegal settlements and apartheid wall represent a grave violation of the international law, tear out Palestinian territories and jeopardize the establishment of a sovereign, viable, and independent Palestinian State with Al-Quds Al-Sharif as its capital. In this regard, the CFM **reaffirms** that the Palestinian territories occupied since 1967, namely the West Bank, including East Jerusalem, and the Gaza Strip, constitute one geopolitical unit; and **demand**s that Israel, the occupying power, cease forthwith its illegal construction of settlements and the Apartheid Wall in the Occupied Palestinian Territory, including East Jerusalem, and that it dismantle them immediately, as demanded by relevant United Nations Security Council resolutions and by the ICJ's Advisory Opinion.
8. **Calls** again on the International Quartet and the international community, including the Security Council, to deploy immediate efforts to compel Israel to implement international legitimacy resolutions on the cause of Palestine, to respect the agreements signed with the Palestinian side, and implement fully the road map with a view to ending the occupation of Palestinian territories that were occupied in 1967, including East Jerusalem, and thus realizing the two-states solution, based on the relevant United Nations resolutions and the terms of reference and principles of the Middle East peace process.
9. **Commends** the role of the Kingdom of Saudi Arabia and its relentless endeavors to support all efforts aimed at achieving Palestinian reconciliation, uniting Palestinians, mending fences and uniting positions on the their cause; **and lauds** the proposal of the

RES. 1/37-PAL

Custodian of the Two Holy Mosques King Abdullah bin Abdulaziz to open two funds for the support of the Palestinian people, the first to be named 'Al-Quds Intifada Fund' and the second to be named 'Al-Aqsa Fund', with a total capital of over one billion US Dollars, over a quarter of which shall be provided by the Kingdom as its contribution to the two funds; in addition to the thousand million Dollars donated by the Custodian of the Two Holy Mosques during the Kuwait Economic Summit for the reconstruction of Gaza following Israel's atrocious aggression of the Strip

10. **Expresses** its support for the good efforts of the Arab Republic of Egypt to achieve Palestinian reconciliation and restoration of national unity in the higher national interest of the Palestinian people. It **reaffirms** full support to the Palestinian Liberation Organization, the only legitimate representative of the Palestinian people, under the leadership of President Mahmoud Abbas and appreciation of his efforts with all Palestinian and Arab parties towards national reconciliation to ensure the success of dialogue, to respect the legislative institutions of the Palestinian National Authority derived from the Palestinian Liberation Organization, including the elected Palestinian Legislative Council, and to commit to the unity of the Palestinian decision for preserving the gains and the imperiled rights of the Palestinian people, and **affirms** that Palestinian national reconciliation is an important guarantee to reinforce the struggle of the Palestinian people and strengthen its steadfastness.
11. **Reaffirms** the permanent responsibility of the United Nations towards the question of Palestine until all of its aspects are resolved. It **calls** upon the United Nations to increase its efforts towards the achievement of a just, comprehensive, and lasting peace based on international law and relevant United Nations resolutions—including UN Security Council Resolutions No. 242 (1967), No. 338 (1973), No. 1397 (2002), and No. 1515 (2003)—as well as agreed principles, which call for Israel's complete withdrawal from the occupied Palestinian Territories, including East Jerusalem, occupied since 1967, and from all other occupied Arab territories; the achievement of the inalienable rights of the Palestinian people to exercise self-determination and sovereignty in their independent and viable State of Palestine, with Al-Quds Al-Sharif as its capital; and a just resolution to the plight of the Palestinian refugees in accordance with UN General Assembly Resolution No. 194 (III) of 11 December 1948.
12. **Stresses** the need to find a just solution to the problem of Palestinian refugees in accordance with the resolutions of international legitimacy, including in particular UN General Assembly Resolution 194 of 1948; **reaffirms** the United Nations' responsibility toward the Palestinian cause and the continuous role of UNRWA in this regard;

RES. 1/37-PAL

and **calls upon** States to provide the Agency with more support in order to cover its budget and enable it to continue to render its services.

13. **Recalls** UN General Assembly Resolution No. 85/292 of 6 May 2004, on the “Status of the Occupied Palestinian Territory”, including East Jerusalem, and **reiterates** the need for follow-up to ensure that Israeli credentials to the United Nations do not cover the territories occupied by Israel since 1967, including East Jerusalem.
14. **Requests** the international community and the Security Council to compel Israel to comply with United Nations resolutions, in particular, resolution 487 of 1981, to accede to the Nuclear Weapons Non-Proliferation Treaty and to implement the resolutions of the General Assembly and the International Atomic Energy Agency calling for the subjection of all Israeli nuclear installations to the IAEA’s comprehensive safeguards system. **Emphasizes** the necessity for Israel to declare its renunciation of nuclear armament and to submit to the UN Security Council and the IAEA a factual statement on its capabilities and stockpile of nuclear weapons and substances, given the fact that those are imperative steps toward making the Middle East a WMD-free area, particularly of nuclear weapons, which is essential to the establishment of a comprehensive and just peace in the region.
15. **Requests** the Secretary-General to follow-up the implementation of the present resolution and report thereon to the 38th Session of the Council of Foreign Ministers.

RESOLUTION No. 2/37-PAL
ON
THE CITY OF AL-QUDS AL-SHARIF
(Submitted by Palestine)

The Thirty-seventh Session of the Council of Foreign Ministers (Session of Shared Vision of a More Secure and Prosperous Islamic World), held in Dushanbe, Republic of Tajikistan from 4 to 6 Jumadal Thani 1431H, (18-20 May, 2010);

Having considered the Report of the Secretary-General on the City of Al-Quds Al-Sharif (Document No. OIC/CFM-37/2010/PAL/SG.REP);

Proceeding from the principles and objectives of the Charter of the Organization of the Islamic Conference (OIC);

Based to the Islamic resolutions and decisions affirming that the issue of Al-Quds Al-Sharif is the core of the Palestinian cause, which, itself, is the essence of the Arab-Israeli conflict; and that there can be no comprehensive and just peace without the return of the City of Al-Quds Al-Sharif to Palestinian sovereignty, as the capital of the State of Palestine;

Recalling the relevant UN General Assembly and UN Security Council resolutions, particularly Resolutions No. 242 (1967); No. 252 (1968); No. 338 (1973); No. 465, No. 476, and No. 478 (1980), and No. 1073 (1996), pertaining to the City of Al-Quds Al-Sharif;

Affirming the two resolutions adopted by the 10th Emergency Extraordinary Session of the UN General Assembly in 2002, namely Resolution No. ES 10/2 dated 24/4/1997 and No. ES 10/3 dated 15/7/1997, on illegal Israeli practices in occupied East Jerusalem and the other occupied Palestinian territories

Strongly condemning the continuing and escalating Israeli aggressions on the holy places in the City of Al-Quds Al-Sharif and other Palestinian cities and the desecration of sacred shrines;

Reaffirming all UN Security Council resolutions on Al-Quds, including Resolution No. 681 dated 20/12/1990 stipulating that all the provisions of the 4th Geneva Convention of 1949 on the Protection of Civilians in Times of War apply to the Palestinian people in the occupied Arab territories, including the City of Al-Quds Al-Sharif;

Strongly denouncing Israel's illegal measures and practices, which are contrary to all international resolutions and laws, undertaken by the Israeli occupation authorities in the City of Al-Quds Al-Sharif and designed to Judaize the Holy City and obliterate its Arab and Islamic landmarks;

RES. 2/37-PAL

Strongly condemning Israel for implementing ethnic cleansing policies in the City of Al-Quds with a view to depopulating it of its Palestinian inhabitants, changing its historical and civilizational landmarks, its Arab and Islamic identity, and to Judaize it and separate it from its Palestinian environs, and its erection of perimeter walls around the city, thus preventing Christian and Muslim worshippers' access to their places of worship in Al-Quds Al-Sharif and Bethlehem,

Referring to the recommendations of the meeting of the Technical Committee in charge of examining the current situation of vital sectors in the city of Al-Quds on 13 March 2010:

1. **Reaffirms** all the relevant resolutions and decisions adopted by the Islamic Conferences, including those of previous sessions of Al-Quds Committee, particularly the 19th Session.
2. **Emphasizes** that there can be no just and comprehensive peace in the Middle East region unless Israel withdraws from all the Palestinian and other Arab territories occupied since 1967, foremost among which is the City of Al-Quds Al-Sharif, in implementation of UN Security Council Resolution No. 242 (1967).
3. **Affirms** its support of the stand of the State of Palestine based on the determination to regain sovereignty over Al-Quds Al-Sharif, including the Holy Haram in Al-Quds Al-Sharif and all Christian and Muslim holy places, which are part of the Palestinian territories occupied since June 1967. Also **affirms** that Al-Quds Al-Sharif is the capital of the independent State of Palestine, and, in this regard, **underlines** its rejection of any attempt to undermine Palestinian sovereignty over Al-Quds Al-Sharif.
4. **Reaffirms** that all the Israeli colonial settlement measures and practices in Al-Quds and the rest of the occupied Palestinian territories are null and void, in line with resolutions of international legitimacy, as well as international covenants and conventions, which consider all Israeli legislative, administrative, and colonial settlement procedures and measures aimed at altering the legal, demographic, architectural, cultural, and heritage-related status of the Holy City as null and void and contrary to the resolutions and decisions of international legitimacy and international covenants and conventions, and diametrically opposed to agreements signed between the Palestinian and Israeli sides. **Requests** the UN Security Council to revive the International Supervision and Monitoring Committee to Prevent and Prohibit Colonial Settlement in Al-Quds and the Occupied Arab Territories, in accordance with its Resolution No. 446.

RES. 2/37-PAL

5. **Requests** all states and international institutions and bodies to abide by the international resolutions on the City of Al-Quds, which is considered an integral part of the Palestinian and other Arab territories occupied in 1967, and not to take part in any meeting or activity serving Israel's designs to consecrate its occupation and annexation of the Holy City.
6. **Calls on** the international community, especially the UN Security Council, to compel Israel to implement the resolutions of international legitimacy, in order to prevent it from effecting any geographic or demographic alteration in the Holy City of Al-Quds, and to compel it to stop the building of the apartheid wall; remove the parts thereof being built around the city of Al-Quds Al-Sharif; lift the siege off the City of Al-Quds Al-Sharif; and put an end to the demolition of homes, withdrawal of identity cards of Palestinian citizens, and the process of purging the City of Al-Quds Al-Sharif of its Arab nationals.
7. **Condemns** Israel for destroying Palestinians' homes in the City of Al Quds Al Shareef, in particular in Salwan District; occupying the homes of Palestinians and their land properties in the occupied city of Al Quds, in particular at Sheikh Jarrah quarter; implementing policies of ethnic cleansing against Palestinians; for carrying out excavations around and beneath Al-Aqsa Mosque; for seeking to build synagogues around it. It **calls upon** the United Nations Educational, Scientific, and Cultural Organization (UNESCO) to take the necessary steps in order to preserve the historical heritage of Al-Quds.
8. **Strongly condemns** Israel's continued attempts to control the Holy Haram of Al-Quds Al-Sharif. It also **condemns** Israel's plans aimed at imposing a *fait accompli* and allowing extremist Jewish groups to desecrate the precincts of Al-Aqsa Holy Mosque, to pray therein, and to occupy the adjoining buildings; and **considers** these acts deliberate and provocative and as an avenue to allow extremist Jewish organizations to continue their repeated desecration of the sanctity of Al-Aqsa Holy Mosque; establish their presence on its precincts; and continue their piracy acts against religious, historical, and cultural relics in Al-Quds Al-Sharif and the Palestinian territories.
9. **Reiterates** its condemnation of Israel's opening of "The Ruin" Synagogue - the biggest and tallest Jewish Synagogue built by Israel a few meters from the Western Wall of the blessed Al-Aqsa Mosque - at the expense of the Al-Umari Mosque and an Islamic waqf land in the Al-sharif quarters, an Islamic district in the Old City of Al-Quds occupied in 1967, and destroyed by Israel, which expelled its Palestinian

RES. 2/37-PAL

inhabitants from their homes and converted the place into a settlement under the name “Jewish quarters”. Also **condemns** the organization by Israel of an international day of the so-called Third Temple, interspersed by calls to storm the Al-Aqsa Mosque.

10. **Strongly condemns** the Israeli authorities for their continued closures of the Palestinian institutions in Al-Quds Al-Sharif and **considers** such arbitrary measures as a continued violation of the accords signed between the PLO and Israel within the framework of the peace process, the Road Map, and international conventions and covenants, particularly the 4th Geneva Convention of 1949, as well as an infraction of the very principles and foundations on which the peace process was built in Madrid.
11. **Decides** to adopt the recommendations of the meeting of the Technical Committee in charge of examining the current situation of vital sectors in the city of Al Quds held on 13 March 2010, and calls on the Member States, the General Secretariat and the OIC Organs to work for their implementation (Annex I).
12. **Stresses** the need to continue work and coordination with international and regional organizations, especially UNESCO and the World Heritage Committee, for the implementation of international resolutions and decisions on the City of Al-Quds Al-Sharif; and in this context **requests** the General Secretariat to organize an international symposium on the preservation of the Islamic historical and cultural character of Al-Quds Al-Sharif and the means of confronting the persistent attempts of the Israeli occupation forces to alter the historical, cultural, and religious landmarks and demographic composition of the Holy City, in coordination with the international and regional organizations concerned.
13. **Invites** the Vatican, the Eastern Churches, and other churches and Christian religious orders to take action to resist the Judaization of the City of Al-Quds Al-Sharif, out of respect for the spiritual dimension of all the religions, as a safeguard for peaceful coexistence amongst them, and in observance of UN Security Council Resolution No. 242 of 1967, demanding Israel to withdraw from all the Arab territories occupied in 1967, including the City of Al-Quds, along with the other relevant United Nations resolutions. Also **calls** for extending support to the population of Al-Quds Al-Sharif in their resistance of Judaization measures and of their displacement from their city.
14. **Strongly condemns** Israel's continued aggression against Islamic and Christian holy places, especially the threats to invade and damage the Al Aqsa Mosque, and **holds** Israel, the occupying power, fully responsible for the consequences of these assaults, which are being carried out under the watch and protection of the Israeli occupation forces.

RES. 2/37-PAL

15. **Reiterates** the resolutions of previous Islamic conferences affirming support for the City of Al-Quds Al Shareef and strengthening the steadfastness of its people. Calls on Member States to provide support to the Al-Quds Fund and the Bayt Mal Al-Quds Agency of the Al-Quds Committee to enable them discharge their duties of executing development projects, preserving the Arab, Islamic and civilizational character of the City, boosting the resilience of its people in the face of continued Israeli attempts to Judaize the holy city;
16. **Mandates** the Islamic Group in New York to request for the convening of a special session of the United Nations General Assembly to stop Israeli measures in Al Quds which are in conflict with rules of international law and Israel's obstruction of the implementation of relevant Security Council resolution and to evaluate the possibility of adopting a UN General Assembly resolution requesting the International Court of Justice to consider stopping Israeli measures in the Al Quds, and when that fails, to file a case directly at the International Court of Justice.
17. **Affirms** its support for the efforts of His Majesty King Mohammed VI, Chairman of Al Quds Committee, in supporting the City of Al Quds Al Shareef, in preserving its Arab and Islamic identity and in supporting the steadfastness of its in confronting the Judaization attempt they are faced with.

Having discussed the item titled "The Occupied Syrian Golan" and Israel's decision of 1981 to impose its laws, jurisdiction, and administration on the Occupied Syrian Golan;

Having reviewed the oppressive measures to which the Syrian citizens in the occupied Syrian Golan are being subjected and Israel's continued attempts to force them to accept the Israeli identity;

Recalling also UN Security Council Resolution No. 497 (1981) dated 17 December 1981 and the relevant UN General Assembly resolutions, latest of which was the one adopted by the 63rd Session;

Noting that Israel, in violation of Article 25 of the United Nations Charter, has refused to accept and implement the resolutions of the UN Security Council, in particular Resolution No. 497 (1981), which considered null and void and with no legal consequence Israel's decision to annex the occupied Syrian Golan;

Deeply concerned at Israel's persistent attempts to defy the will of the international community and reaffirming that annexation decisions are considered null and void and illegal by the international community;

Affirming that the Geneva Convention on the Protection of Civilians in Times of War (dated 12 August 1949) applies to the occupied Syrian Golan and that the building of settlements and the bringing of settlers to the Syrian Occupied Golan is a violation of this agreement and an undermining of the peace process;

Expressing concern over Israel's undermining of the Peace Process launched by the Madrid Conference on the basis of UN Security Council Resolutions No. 242 and No. 338, as well as the land-for-peace formula, and the risks resulting from Israel's renegeing on the commitments and obligations reached,

2. **Strongly condemns** Israel for its failure to comply with UN Security Council Resolution No. 497 (1981) and **reaffirms** that Israel's decision to impose its laws, jurisdiction, and administration on the Occupied Syrian Golan is null and void and has no legal validity whatsoever and that it constitutes a blatant violation of the UN Charter, relevant UN resolutions, and the OIC Charter and resolutions, as well as the Fourth Geneva Convention on the Protection of Civilians in Times of War, dated 12 August 1949, the relevant provisions of the Hague Conventions of 1899 and 1907, and the rules of international law, in particular the inadmissibility of acquisition of territory by force.

It **holds** Israel **responsible** for this blatant breach of Syrian sovereignty and **expresses** its solidarity with the Syrian Arab Republic.
7. **Reaffirms** that Israel's continued occupation of the Syrian Golan since 1967 and its annexation on 14 December 1981 constitute a permanent threat to peace and security in the region.
8. **Reaffirms** the need to compel Israel to comply forthwith with the provisions of the Geneva Convention on war prisoners, dated 12 August 1949, and to apply them to the Syrian detainees in the occupied Syrian Golan, who have been held for over 20 years now in Israeli occupation prisons in inhuman conditions that have led to the deterioration of their physical and psychological health and put their lives at risk, in a blatant contravention of all international and humanitarian conventions.
9. **Reaffirms also** the right of the Syrian Arab Republic to recover its full sovereignty over the occupied Golan.
10. **Demands** Israel to fully withdraw from all the occupied Syrian Golan to the line of the 4th of June 1967 in implementation of the relevant resolutions of the UN Security Council and to begin demarcating that line.
11. **Also demands** Israel to fully respect all the foundations of the peace process as initiated in Madrid, consistent with UN Security Council Resolutions No. 242 and No. 338 and the "land-for-peace" formula, and to abide by all the commitments and pledges reached so far.

**FINDINGS & RECOMMENDATIONS
OF THE MEETING OF THE TECHNICAL COMMITTEE
STEMMING FROM THE OIC EXECUTIVE COMMITTEE
IN ITS EXPANDED EXTRAORDINARY MEETING AT THE
LEVEL OF FOREIGN MINISTERS**

1 NOVEMBER 2009 (13 DHUL QEDA 1430h)

**ENTRUSTED WITH THE STUDY OF THE CURRENT SITUATION
OF THE VITAL SECTORS IN THE CITY OF AL-QUDS AL-SHARIF**

HEADQUARTERS OF THE OIC GENERAL SECRETARIAT
JEDDAH, KINGDOM OF SAUDI ARABIA

13 MARCH 2010

**FINDINGS AND RECOMMENDATIONS
OF THE MEETING OF THE TECHNICAL COMMITTEE
STEMMEING FROM THE OIC EXECUTIVE COMMITTEE
TO STUDY THE CURRENT SITUATION OF THE VITAL SECTORS IN
THE OCCUPIED CITY OF AL-QUDS**

The Technical Committee emanating from the Executive Committee of the Organisation of the Islamic Conference, entrusted with the study of the current situation of the vital sectors in the Occupied City of Al-Quds, held its meeting on 1 November 2009 with the participation of the representatives of the following Member States and institutions:

- Hashemite Kingdom of Jordan
- United Arab Emirates
- Republic of Turkey
- Kingdom of Saudi Arabia
- Senegal
- Syrian Arab Republic
- Palestine
- Arab Republic of Egypt
- Kingdom of Morocco
- Islamic Development Bank (IDB)
- Bayt Mal Al-Quds Al-Sharif Agency

The Committee listened to the statement of the Secretary General of the Organisation of the Islamic Conference and reviewed the report of the joint mission of the OIC General Secretariat and the IDB on its visit to the City of Al-Quds on 19-21 December 2009 and its assessment of the current situation of the Education and Health sectors in the City.

The Committee took stock of the situation in Al-Quds City through its Governor who explained in detail the suffering of the City and its people under the escalating Israeli campaign aiming at judaising Al-Quds by emptying it of its Palestinian citizens, falsifying its history, assaulting its Islamic and Christian sanctities, and carrying out excavations beneath the Blessed Al-Aqsa Mosque and in its surroundings in a manner jeopardising its bases and structure safety.

The delegation of Palestine gave a presentation of a detailed study on the various sectors of urgent priority in the City pointing out its actual needs in the next three years particularly in the fields of housing, education, health, youth, social affairs and restoration and maintenance of relics. The delegation of the Hashemite Kingdom of Jordan briefed the meeting on the role of Al-Aqsa Reconstruction Committee in restoring Al-Haram Al-Qudsi Al-Sharif. Similarly, the participants heard the presentation of the representative of the IDB and that of the Director-General of the Bayt Mal Al-Quds Agency regarding the activities conducted by their respective institutions in the city of Al-Quds.

After the interventions, explanations and studies presented by the participating delegations, the Committee has found out that the Israeli measures in the occupied City of Al-Quds, restrictions on its citizens in terms of their freedom, way of living,

targeting the indisputable identity of their City, and seeking to expel them from it have created serious challenges for the Palestinians in Al-Quds City. The Committee has also found out that the following sectors require special care translated into support and provision of the elements enabling the City to maintain resistance and assume its natural role of serving its people and preserving its Arab Islamic identity in the face of Judaisation attempts specially in education, health, housing, social affairs and restoration and maintenance of historical relics.

The Committee has become convinced that leaving the aforementioned sectors without urgent support will not only lead to a serious deterioration of their services but also put their survival at stake. Therefore, the Committee recommends the following:

1. Submit the Sectoral Study prepared by the Palestinian National Authority on the needs of Al-Quds City to the 37th Session of the Council of Foreign Ministers for adoption and allocation of resources necessary for the implementation of the first year projects.
2. Call, as soon as possible, for a meeting of the Member States, the IDB, Bayt Mal Al-Quds Al-Sharif Agency, Funds in the Member States and the private sector to adopt the needs of Al-Quds City and implement the projects of the Sectoral Study.
3. Consider housing, education and health in Al-Quds City sectors of priority which require special attention and support to enable the City to maintain its resistance and ensure assumption of its leading role in serving the people of Al-Quds and preserving its Arab and Islamic character.
4. Provide financial support to build houses in Al-Quds, restore and rehabilitate buildings through the adoption of suitable finance mechanisms including revolving loans, particularly from the willing financial institutions and Member States.
5. Benefit from the Islamic Waqf properties, while preserving their endowment status, to build vital facilities which provide services to the Palestinian citizens in Al-Quds City including schools, medical clinics and sporting clubs; and coordinate with the Islamic Waqf Department.
6. Coordinate work with local Palestinian churches with a view to preserving Palestinian properties and co-benefiting from Islamic and Christian Waqf facilities and properties for the benefit of the Palestinians in Al-Quds.
7. Accord extra attention to the youth sector in Al-Quds through enhancing the construction of service facilities such as clubs, libraries and entertainment places; finance the implementation of awareness programmes targeting Al-Quds youth in a way that would help achieve a purposeful engagement of youth in the preservation of the Arab Islamic identity of the City.

8. Accord special attention to Al-Quds properties and real state which are subject to takeover attempts by the settlers particularly in the Old City, Selwan neighbourhood and Sheikh Jarrah suburb; and consider defending such and prevention of their confiscation a priority requiring the employment of all legal and financial tools available.
9. Create a partnership mechanism among the Islamic Development Bank, Bayt Mal Al-Quds Agency, relevant subsidiary organs and specialised institutions and the private sector in the Islamic countries, in coordination with the Palestinian National Authority, to support Al-Quds City institutions; and consider the encouragement and introduction of Islamic investments in Al-Quds for the benefit of the Holy City and in support of its people's resistance.
10. Give special attention to the judicial course as well as the technical course; and endeavor to provide adequate finance to cover the judicial and technical expenses incurred by Al-Quds citizens in the face of the Israeli campaigns aimed at judaising the City, expelling its Palestinian population and confiscating their properties.
11. Act at the international judicial institutions and within the Member States to take legal action against Israel and the Israeli officials responsible for the expulsion of Palestinians from Al-Quds, confiscation of their properties through racist laws, such as the so-called "Custodian for Absentees' Property", seeking to falsify their City's history and assault its sanctities; move to place pressure on the United Nations, international and humanitarian organisations and the countries which can put pressure on the occupation authorities.
12. Activate the twinning agreements signed between the City of Al-Quds and the Capitals of the Member States; encourage twinning between Al-Quds institutions and their counterparts in the Member States including higher education institutions; and provide scholarships for the students of Al-Quds.
13. Welcome the endeavours and moves of the Secretary General at the international level to support Al-Quds, and call him to continue to support the efforts of the Member States and their moves within the international organisations concerned with the vital sectors in Al-Quds such as UNISCO and others.
14. Activate the resolutions previously adopted by the OIC on Al-Quds, in particular, the call of the 3rd Extraordinary Islamic Summit for the contribution of one dollar by every Muslim to support Al-Quds.
15. Commend the efforts of Bayt Mal Al-Quds Al-Sharif Agency stemming from Al-Quds Committee, the IDB, Al-Aqsa Mosque Reconstruction Committee of the Jordanian Ministry of Awqaf (Endowments), and other relevant institutions. Such efforts are represented in the implementation

of development projects in Al-Quds Al-Sharif in support of its people's resistance.

16. Submit the report and recommendations of the Committee to the 37th Session of the Council of Foreign Ministers.
