### **Role of the Media in the OIC Member States in Supporting the Cause of Palestine and Al Quds Al-Sharif**

The Islamic Conference of Information Ministers in its 11<sup>th</sup> session held in Jeddah, Kingdom of Saudi Arabia, on 21 December 2016 (Session of the New Media to Counter Terrorism and Islamophobia);

- **Proceeding from** the principles and objectives enshrined in the Charter of the Organization of Islamic Cooperation (OIC) and building on OIC resolutions stressing the importance of continued provision of appropriate media coverage for Al-Quds Al-Sharif and Palestine cause in the Arab and Islamic media;
  - **Underlying** its previous resolutions on the causes of Al-Quds Al-Sharif, Palestine and the occupied Arab territories, including the occupied Syrian Golan and the Lebanese Sheba Farms;
  - **Condemning** all forms of Israeli violations against the Palestinian people, including continued Judaization of Al-Quds, settlement, wall building, land confiscation, and the ongoing aggression and siege on the Gaza Strip, considering them as being contrary to all resolutions adopted by the UN Security Council and the General Assembly and to international charters and covenants;
  - **Holding** Israel fully responsible for foiling the international efforts to bring the peace process and peace negotiations to a successful conclusion and end the conflict in a way that leads to the establishment of the State of Palestine;
  - **Declaring** its full support for the Palestinian political position demanding complete cessation of settlement and Judaization of Al-Quds;
  - **Supporting** the Palestinian leadership's efforts to obtain membership for the State of Palestine in the United Nations;
  - **Taking into account** the importance of providing appropriate media coverage for the conditions and plights being experienced by the Palestinian people in the light of continued Israeli occupation and its escalating hostility towards them, and highlighting Israeli violations in Al-Quds and incessant attempts to Judaize the holy City;
  - **Taking into account** the need to provide support to the organs and agencies of the State of Palestine in all fields, particularly in information and communication, especially after Israel's shelling of media installations and buildings, the destruction of their equipment, and the confiscation of the equipments of many Palestinian radio stations and media institutions;
  - **Reaffirming** that information and communication outlets are amongst the most effective means used by governments and institutions to express their political, national and cultural positions and identities;
1. **Makes an urgent appeal** to the Member States to provide urgent assistance to the State of Palestine to support, rebuild and upgrade the capacities of the Palestinian Information Ministry, the Broadcasting Corporation, and the Palestinian News and Information Agency

(Wafa), in terms of their headquarters, installations and equipment, and to exchange programmes and expertise with them in various fields.

2. **Calls on** the OIC Member States to provide all the support needed to the Palestinian people and leadership in their efforts to gain full UN membership and the same support for a UN Security Council resolution to reaffirm the non-legitimate character of Israeli colonial settlement and the need to put an end, according to a specified schedule, to Israeli occupation.
3. **Invites** the Member States and the media in those countries to continue to sensitize the public opinion to the Palestinian cause, by providing maximum media coverage for all aspects of life in the occupied Palestinian territory, and highlight the devastating effects of the occupying Israeli power, and its violations of international law and human rights, and the war crimes it committed and continues to commit.
4. **Calls on** the Member States to provide space in media to shed light on the continued occupying Israeli power's aggression City of Al-Quds and its holy sites, including through the judaization of the city.
5. **Calls on** the media in the Member States to dedicate the last Friday of the month of Ramadan every year as "Al-Quds Day", with programmes focusing on the importance of the city of Al-Quds Al-Sharif.
6. **Appeals** to the Member States to continue monitoring developments of the Palestinian cause, to release widespread publications and audiovisual material treating of the various aspects of the Palestinian question, and reactivate journalistic and media correspondence from Palestine in such a way as to ensure Arab and Islamic commitment to publish reports, programmes and documentaries on Al-Quds and on all issues relating to the Arab-Israeli.
7. **Mandates** the OIC General Secretariat to coordinate with Al Quds Committee and relevant Palestinian authorities to organize, as soon as possible, a series of media symposia with a view to raising public opinion's awareness about the Palestinian cause, Al-Quds Al-Sharif and the aggression against Al-Aqsa Holy Mosque and other holy sites.
8. **Commends** the efforts of Al-Quds Committee's Bayt Mal Al-Quds Al-Sharif Agency in financing the restoration of the precincts of Al-Aqsa Mosque and projects in the areas of housing, health, culture, social affairs, youth and sports, as well as the restoration of mosques and monuments in the city; and **underlines** the resolutions adopted by Al-Quds Committee.
9. **Invites** media outlets in the Member States to intensify the production and exchange of information programmes with Palestinian media organs and make effective use of the media to present available information material on Israeli aggression, address the word public opinion, project the true picture of the Palestinian cause and the plights of the Palestinian people under occupation, and correct the image being presented by the Israeli propaganda machine.
10. **Expresses** appreciation for the resolution of Arab Information Ministers to consider Al-Quds as capital of Arab Media for the year 2016-2017 and invites all information ministries and media institutions in Member States to participate effectively in all events approved by the Information Ministry in the State of Palestine, in cooperation with information and communication sector of the League of Arab States.
11. **Invites** States to host Al-Quds week in coordination with the Ministry of Information of the State of Palestine to shed light on the magnitude of the suffering of the residents of Al-Quds, Israelization attempts and the colonial judaization policies of the landmarks of the city of Al-Quds which affect the feelings of Muslims worldwide.

- 12. Calls on** the OIC General Secretariat to coordinate and follow up all issues pertinent to defending the Islamic-Christian identity of Al-Quds in the face of Judaization and expose the criminal actions committed by Israel in the media.
- 13. Invites** the Member States to provide full media support to Palestine's request for membership of the United Nations and its other international organizations, and spread awareness about this Palestinian endeavor and its importance in achieving the Palestinian national rights.
- 14. Calls for** establishing a Committee to develop an elaborate action plan aimed at supporting Palestine in the area of media and outreach, and to develop proposals and mechanisms for the revival, by Member States' media outlets, of Al-Quds Week.
- 15. Invites** all Member States to provide urgent assistance to support the steadfastness of the Palestinians in Al-Quds in various aspects, to enable them to continue confronting the ongoing campaigns aimed at judaizing the holy city, and preserving its cultural and religious identity as the capital of the State of Palestine.
- 16. Mandates** the OIC Secretary General to follow up on the implementation of this resolution and to report thereon to the 12<sup>th</sup> session of the Islamic Conference of Information Ministers.

### Internal and External Media Action in Partnership with OIC Member States' and International Media Institutions

The Islamic Conference of Information Ministers in its 11<sup>th</sup> session held in Jeddah, Kingdom of Saudi Arabia, on 21 December 2016 (Session of the New Media to Counter Terrorism and Islamophobia);

- **Based on** Resolution 2/10-INF on Internal and External Media Action in Partnership with the OIC Member States' and International Media Institutions, which was issued by the Islamic Conference of Information Ministers in its 10<sup>th</sup> session (Session of Media Convergence for Peace and Calm in the Muslim World), and which was approved by the 42<sup>nd</sup> Council of Foreign Ministers held in the State of Kuwait on 27-28 May 2015;
  - **Based on** Resolution 2/9-INF on External Media Action by Developing a Comprehensive Media Plan with the Contribution of Member States and Ambassadors' Groups in Key World Capitals, issued by the 9<sup>th</sup> Session of the Islamic Conference of Information Ministers held in Libreville, Republic of Gabon, on 19-20 April 2012;
  - **In accordance with** Resolution 1/38-INF on Information Affairs, particularly as concerns interaction with external media, issued by the 38<sup>th</sup> session of the Council of Foreign Ministers (Session of Peace, Cooperation and Development), held in Astana, Republic of Kazakhstan, on 28-30 June 2011;
  - **Proceeding from** Resolution 1/37-INF on Information Affairs, particularly as concerns interaction with external media issued by the 37<sup>th</sup> session of the Council of Foreign Ministers (Session of Shared vision of a More Secure and Prosperous Islamic World), held in Dushanbe, Republic of Tajikistan, on 18-20 May 2010;
1. **Commends** the OIC General Secretariat's efforts in interacting with external media, and emphasizes the importance of providing financial means in order to finance activities related to direct interaction with foreign media, including consideration of the establishment of a fund to which Members States, institutions and individuals shall make voluntary contributions, since the establishment of such a fund is of dire necessity for the actual commencement of interaction with external media for the benefit of the Muslim world.
  2. **Commends** the media partnerships which the OIC General Secretariat, represented by the Information Department, concluded with a number of leading media institutions, with the view to boost joint Islamic media action, increase visibility for the Organization and its causes in media hubs, regionally and worldwide, and develop and hone professional capacities and skills of media professionals; and **calls on** the General Secretariat to intensify and diversify partnerships with leading media institutions so as to benefit the Organization.
  3. **Invites** the OIC Ambassadorial Groups, particularly in non-Member States, to attach importance to media action and to interact with foreign media outlets, in order to support Islamic causes.

4. **Calls for** closer connections and coordination with civil society institutions in the OIC Member States in serving the causes of the Ummah in the information and public relations domains, while enlisting Muslim world youth studying abroad and Islamic communities in non-OIC Member States.
5. **Calls for involving** media institutions in the member states, public and private, in implementing media resolutions:
  - a- Hold annual conference and exhibition for media institutions in the member states;
  - b- Hold seminars on specific issues of concern;
  - c- Hold regional conferences.
6. **Condemns** biased Western media campaigns against the State of Qatar, which question the latter's eligibility to organize the 2022 World Cup, and some Western media's insistence on spreading false and prejudiced information aimed at questioning its eligibility to organize the 2022 World Cup, despite Qatar's bid winning the Mondial's organization through fair and transparent competition; **underlines** that holding the 2022 World Cup in the State of Qatar, an OIC Member State, is in itself an achievement of all OIC countries and a right to all the peoples of the Muslim world; and therefore **invites** joint Islamic action institutions and media outlets in the OIC Member States to support the State of Qatar in refuting disinformation and incitement by some Western media in this regard.
7. **Denounces** all forms of incitement to terrorism, violence and sectarianism by some audio-visual and written media against the Republic of Iraq and other OIC Member States; and calls upon their governments to take all necessary measures against this offensive practice by these media.
8. **Condemns** the media campaigns waged by some media, including some satellite channels, against the Arab Republic of Egypt and its institutions, which incite to committing acts of violence and terrorism, and affirms its solidarity with the Arab Republic of Egypt, and backs all the measures it takes to counter these campaigns in accordance with the Charter.
9. **Requests** the OIC Secretary General to follow up on the implementation of this resolution and to report thereon to the 12<sup>th</sup> session of the Islamic Conference of Information Ministers.

### **Supporting the Implementation of the Special Media Programme Highlighting Africa's Position and Role in the Muslim World and its Extension to Other Regions**

The Islamic Conference of Information Ministers in its 11<sup>th</sup> session held in Jeddah, Kingdom of Saudi Arabia, on 21 December 2016 (Session of the New Media to Counter Terrorism and Islamophobia);

- **Based on** Resolution 4/10-INF on Supporting the Implementation of the Special Media Programme Highlighting Africa's Position and Role in the Muslim World and the Extension of the Programme to Other Regions, which was issued by the Islamic Conference of Information Ministers in its 10<sup>th</sup> session held in Tehran, Islamic Republic of Iran, on 3-4 December 2014 (Session of Media Convergence for Peace and Calm in the Muslim World), and which was approved by the Council of Foreign Ministers in its 42<sup>nd</sup> session held in Kuwait City on 27-28 May 2015;
  - **Being cognizant** of the capabilities and potential of the OIC African Member States in various sectors, which they need to highlight and promote in the media to raise awareness thereof through a special media programme;
  - **Recalling** Resolution 6/9-INF on the Proposal of a Special Media Programme Highlighting Africa's Position and Role in the Muslim World, issued by the 9<sup>th</sup> Islamic Conference of Information Ministers held in Libreville, Republic of Gabon, on 19-20 April 2012;
  - **Recalling** Resolution 5/40-INF issued by the 40<sup>th</sup> session of the Council of Foreign Ministers in Conakry, Republic of Guinea, on 9-11 December 2013;
  - **Recalling** Para. 1 of Resolution 1/33-INF on the Role of Information and Communication in Promoting the Just Causes and Image of Islam, which was issued by the 33<sup>rd</sup> session of the Council of Foreign Ministers held in Baku, Republic of Azerbaijan, on 19-21 June 2006;
  - **Proceeding** from the resolution of the Third Extraordinary Islamic Summit held in Makkah Al-Mukarramah on 7-8 December 2005 (Para. 7) on the need to deal with foreign media in an effective manner, in order to enable the Muslim world to expose its point of view of the developments at the international scene;
1. **Commends** the efforts of the OIC General Secretariat to implement the special media programme highlighting Africa's position and role in the Muslim world, including through the organization of an open-ended experts meeting on the implementation of the programme, on 25-26 February 2013 at the OIC headquarters in Jeddah, which yielded important recommendations on the programme's implementation;
  2. **Calls for** raising Member States' awareness about the negative stereotypes against African Member States by some western media and for refraining from reflecting the same images; and **calls for** the adoption of a system for the exchange of programmes at the bilateral and

multilateral levels. The states concerned shall produce the content of this system and the General Secretariat shall share it with all Member States, and the Member States shall be responsible for distributing it to national broadcasting corporations;

- 3. Reiterates its call for** highlighting the capacities of African OIC Member States and the role they can play in promoting Islamic solidarity, through a media programme dedicated to Africa which would highlight the continent's position in the Muslim world, and calls on interested Member States to undertake the projects included in this media programme or some of them. In this regard, the Conference:
  - a.** Welcomes the Kingdom of Morocco's initiative to host the "Media Forum on the African Continent: Image and Investment Opportunities" in Marrakech, on 17 through 19 December 2015, with the objective to shed light on African Member States' history, culture and huge economic potential, in order to contribute to improving the image of Africa in the media and eradicating the negative stereotypes presenting the African continent as an area of poverty and instability.
  - b.** Calls on the OIC Member States to finance and supervise the production of a 10 to 15 minutes documentary in the three official languages of the OIC (Arabic-English-French) on the capabilities and investment opportunities in the African Member States concerned. The Information Department of the OIC General Secretariat shall circulate the documentary to all OIC Member States for broadcasting on their TV channels.
  - c.** Calls on OIC African Member States to provide the Information Department of the OIC General Secretariat with press material, statistics, data, pictures, audio and television material to prepare press files (audiovisual and written) in the three official languages of the OIC (Arabic, English and French) on various issues for use in the OIC publications and events and for dissemination to media outlets in the OIC Member States.
  - d.** Invites the Member States to shed light, through the media, on the Dakar-Port Sudan railway project and the investment importance of this historic project.
  - e.** Calls on the Department of Information of the OIC General Secretariat to select journalists from a number of Member States and send them on field trips to some African Member States, accompanied by delegates for the Department of Information, in order to have a firsthand look and engage with officials there, meet community members, conduct specialized investigative journalism and report back in their media.
  - f.** Requests the Department of Information of the OIC General Secretariat to ensure media circulation of the statistics and reports of the Statistical, Economic and Social Research and Training Centre for Islamic Countries (SESRIC) on the figure-backed potentials and capabilities in African countries and their inclusion in press reports to be sent to various mass media using the Department's database.
  - g.** Calls for supporting similar media programmes to be implemented in other regions of the Muslim world.

4. **Commands** the creation of an ISESCO Regional Center for Continued Training of Journalists in Africa, to be based in Dakar, in cooperation with COMIAC and the Center of Studies on Information Sciences and Techniques (CESTI); **calls upon** the envisioned Center to participate actively in the implementation of OIC programmes; **commends** the cooperation between ISESCO and the Khartoum-based Media Training Academy of the Sudan; and **calls for** continued cooperation to train media professionals in Eastern and Central Africa.
5. **Calls** for initiating an international research conference on the African continent to discuss, every two years, the philosophy of Islam and rejection of racism and discrimination based on gender and colour, and feature a cultural festival.
6. **Requests** the OIC Secretary General to follow up on the implementation of this resolution and to report thereon to the 12<sup>th</sup> session of the Islamic Conference of Information Ministers.
